Crepe Delicious founder and chef **Oded Yefet** embarked on an international journey to search for the perfect addition to the vibrant North American quick service restaurant industry. His travels took him across the globe from Western Europe to Far East Asia, with stops through North Africa. When he was on the streets of Paris, he saw street vendors serving crepes, as an alternative to North America's typical hotdog. **Oded Yefet** took this elegant yet simple concept, combined with over twenty years of hotel and restaurant experience and created **Crepe Delicious**.
